

## BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)

### Homoeopathic Medical College and Hospital Pune 43

Conducted by: Dr Shailesh Sancheti – Alumni Star

Name of the Topic: Tips on Homoeopathic Prescription

Date and Venue: Saturday 4/9/2021 at Seminar Hall, B.V.M.F Homoeopathic Hospital Pune

Time: 11am to 12pm

**Gist of Session-** In order to motivate interns to practice Homoeopathy and to guide them in regards to what mistakes can be avoided during their journey of practice in Homoeopathy, an Inspirational Continuous Homoeopathic Medical Lecture Series by Dr Shailesh Sancheti was arranged under the guidance of Principal and Superintendent Dr Mrs. Tanveer. A. Khan. Dr Shailesh Sancheti M.D (Hom) is Alumni of Bharati Vidyapeeth Homoeopathic Medical College. He is one of the good practitioner and running a clinic “Advance Homoeopathic Clinic” in Pune since last 12 years. The first lecture of this series was arranged on Saturday 4<sup>th</sup> September 2021. A brief welcome was given by Dr R. M. Koraykar. This was followed by lamp lighting ceremony by Principal Dr. (Mrs.) T. A. Khan, Dr Shailesh Sancheti, P.G co ordinator Dr A. S. Patil and Internship Incharge Dr. M. A. Nerlekar. This was preceded by motivational words by Dr (Mrs.) T.A. Khan for the interns and P. G. Scholars. Dr. (Mrs.) T. A. Khan inspired the students to work hard which in turn will help them in their life ahead. Through her experiences she guided the students to avoid all those mistakes which she underwent which would in turn help them to develop a better practice in Homoeopathy in short span. The Lecture series was arranged for the interns of the 38<sup>th</sup>, 39<sup>th</sup>, 39<sup>th</sup> supplementary and 40<sup>th</sup> batch. P. G. Scholars of 14<sup>th</sup> batch of Morning OPD were also asked to attend the lecture. Dr Shailesh Sancheti spoke about his journey in Homoeopathy. He guided the interns from his experiences and motivated the interns to recognize their specialties in Homoeopathy and develop the same in practice. He narrated his various experiences during the under and post graduate education in the college and how this helped him to evolve as a good practitioner in Homoeopathy. He gave few tips for Homoeopathic prescribing.

Lecture was attended by 7 faculty members, 69 interns & PG students.
