Blood Donation Activity

Ongoing Pandemic has significantly disrupted the whole world & society and has taken a toll on overall health of the community. To address this issue a unique Blood Donation Activity was conducted by Lokmat Paper in collaboration with Bharati Vidyapeeth as Bharati Vidyapeeth Samajik Sanstha, Pune on 19/07/2021. A Blood Donation Activity is a unique activity which helps to save life of the needy people. During Pandemic there was a lot of requirement of plasma donors as plasma treatment was one of the major treatment protocols as helped many people to save life & come out of emergency situation.

All the Institutions of Bharati Vidyapeeth were appealed to participate in this activity. Our students from Homoeopathic Medical College had actively participated to support this noble gesture and received Certificates of participations.

Principal Dr Mrs. T. A. Khan along with Blood Donation Organizing Committee of Bharati Vidyapeeth Samajik Sanstha and Lokmat Paper team and students with Certificate
