

BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)
Homoeopathic Medical College & Hospital
Katraj Dhankawadi educational Campus

DEPARTMENT OF PHYSIOLOGY AND BIOCHEMISTRY

Organizer: Department of Physiology and Biochemistry.

Name of Topic: - ECG and its application.

Guest Speaker – Dr. Sudhir Gavali (MBBS, M.D. Physiology)

Day & Date: Tuesday 27/9/2022. & on Wednesday 12/10/2022

Time: -9am-10am

Total No. of students: - 101

Total No. of Students present: 96(Day-1)

Total No. of Students present: 83 (Day-2)

About guest lecture: The department of Physiology and Biochemistry organized a guest lecture on ECG and its application under the guidance of I/C Principal Dr. Prof. Avinash Mhetre Sir. The Guest Speaker Dr. Sudhir Gavali sir was heartily welcomed by Dr. Nimbalkar M.B. (HOD Dept. of Physiology & Biochemistry). This was preceded by introduction of Guest speaker Dr. Sudhir Gavali (M.B.B.S, M.D. Physiology), He has unflinching commitment and ardent passion towards teaching.

Dr. Sudhir Gavali sir explained about ECG and its clinical application. He guided students from his experiences in practice. Dr. Sudhir Gavali sir further answered few quires and questions put forth by the students. The lecture was arranged for I BHMS students. At the end of session, Dr Mrs. Varsha Telore (Assistant Professor of Physiology and Biochemistry Department) gave vote of thanks.

As per the feedback received from the participants it was a good experience, the lecture helped them understanding the basics of ECG and its application.
