11 The Test Process

11.1 Candidates will take the AIAPGET 2018 on a computer at the test centre mentioned in the admit card. Candidates do not need any special computer experience or typing skill to take the exam. The AIAPGET 2018 examination will begin with a short tutorial on the exam and its features.

11.2 Test Centre Rules

11.2.1 To ensure that all candidates are tested under equally favorable conditions. The following regulations and procedures will be observed at each test centre. Failure to follow any of the security procedures may result in the disqualification of the exam. AIIA/MoA or its designated agency reserves the right to make audiotape and videotape of exam session.

11.2.2 **References/Study Materials:** No reference materials, papers or study materials are allowed at the test centre. If one is found with these or any other aids, he/she will not be allowed to continue the exam and the answers will not be scored. Candidates will be provided with scratch papers and pencils to use during the exam session. These items (used and unused) must be returned at the end of the exam session. Removing scratch paper from the test centre will be considered an act of misconduct.

11.2.3 **Personal Items:** Personal items, other than identification documents, are not allowed in the testing room. This includes cell phones, PDAs, BlackBerry® devices, digital/analogue watches and any other electronic or photographic devices. Candidates will not have access to their personal items during the exam. If anyone fails to follow the directions of the test centre staff, they will not be permitted to take the exam.

Any violation of this procedure during the exam may result in cancellation of the scores, dismissal by the test centre staff, or banning from future testing. **Test Centers/AIIA/MoA or its designated agency assume no responsibility for personal items or devices that are brought to the test centre.**

11.2.4 **Breaks:** There are no scheduled or unscheduled breaks. Once candidates are seated at the test centre, they must remain in their seat during the exam except when authorized to leave by a test centre staff member.

11.2.5 Visitors Friends or relatives who accompany candidates to the test centre are not allowed to wait in the test centre or be in contact with the candidates while taking the exam.

11.2.6 **Misconduct or Disruptive Behavior:** Candidates who engage in any kind of misconduct or disruptive or offensive behavior may be dismissed from the exam. For examples: giving or receiving help, taking part in an act of impersonation, removing test materials or notes from the testing room, using rude or offensive language and behavior that delays or interrupts testing.

11.2.7 Weapons are strictly prohibited at the test centre.

11.2.8 **Questions on Exam Content:** Test centre administrators are not allowed to answer any question pertaining to the exam content. If the candidate does not understand a question on the exam, they may to answer the question to the best of their ability and understanding.

FORMAT OF AIAPGET

20.12 What is the entrance test format for AIAPGET 2018?

All India AYUSH Post Graduate Entrance Test (AIAPGET 2018) shall be conducted on Computer-Based Test (CBT) platform. This is not an Internet-based test, i.e. a candidate does not take the test over the Internet. Instead of reading the questions from a paper booklet and darkening the ovals in an answer sheet, a candidate will now read the questions on a computer screen and choose an answer by using a mouse to click on the appropriate option.

20.13 How is the computer-based format different from the paper and pencil format?

The only difference is in the way the questions are presented, and how responses are recorded.

20.14 What does a computer-based test look like?

A Demo exam/test will be made available on the AIAPGET website www.aiapget.com to provide candidates with the look and feel, as well as functionality of the actual test.

20.15 Can I take the exam from any computer?

No, a candidate will have to appear for the exam on a pre-assigned workstation of the test center allocated to him/her mentioned in the admit card.

EXAM DURATION & PATTERN

20.16 What is the duration of the exam?

The exam duration is 90 minutes and will be conducted in a single session. There will also be an additional 15-minute tutorial prior to the start of the test. Candidates will also need to accept a Non-Disclosure Agreement (NDA) before beginning the exam.

20.17 How many questions will there be?

There will be a total of 100 questions.

20.18 Can I move back and forth between the questions?

Yes, candidates will have the option to navigate between the questions via the Review Screen. Candidates are advised to make use of the Demo test on the AIAPGET website www.aiapget.com to familiarize themselves with the navigation and functionality of the actual exam. A 15-minute demo test will also be available prior to the start of the actual exam in the examination center.

20.19 What type of questions will there be?

The exam will only contain multiple choice questions (MCQ), each with four (4) options and only one (1) correct response

20.20 What is the syllabus / course on which the exam would be based?

The exam will include almost all subjects taught during the BAMS/ BUMS/ BSMS/ BHMS course as prescribed by CCIM/CCH.

20.21 What is the 15-minute demo test?

This demo test will be available 15 minutes before the actual exam starts. The demo test provides a series of screens that will orient you to the computer based AIAPGET. This will give you an opportunity to try the various features, including how to navigate between questions, review them, select, de-select, change and mark responses etc. The demo test has a total duration of 15 minutes and candidates are advised to go through it entirely before starting the actual test. At the end of the demo test, candidates will be asked to accept a non-disclosure agreement (NDA) before beginning the test. For a similar preview, candidates can take a tour of the Demo test which will be available on AIAPGET website at www.aiapget.com.

20.21 What is the Demo Test?

The Demo test is a sample of computer-based exam that is intended to familiarise candidates with the navigation and functionality of the AIAPGET. It includes a tutorial on using the various features of the exam like moving between screens, selecting, de-selecting, marking and reviewing responses etc., as well as some sample questions which will allow candidates to try out these features. Note that these sample questions are not representative of the content or difficulty level of the actual exam.
