

Research Projects ongoing

AYUSH funded Research project

Evaluating the Anticancer activity of homoeopathic potencies of *Terminelia Chebula* in breast cancer cell lines and analyzing the best potencies for activity in breast cancer mouse model

In collaboration with BVDU IRSHA, Pune

Grant sanctioned: Rs. 40,52,720/-

1st Installment: Rs. 18,51,800/- (30/12/2016)

Name of Investigator	Year of sanction	Amount in Rs.	Project Topic
Dr. N J Shah / Dr A B Jadhav	2012	30,000/-	Efficacy of Homoeopathic medicine <i>Terminelia Chebula</i> on normal cell & Cancer cell
Dr. V A Bhagat	2012	10,000/-	Efficacy of Homoeopathic treatment in Allergic Urticaria
Dr. R M Raut	2012	10,000/-	Homoeopathy as adjuvant in Diabetes Mellitus
Dr R R Chavan	2012	20,000/-	Role of Homoeopathy in Eczema
Dr. A P Talathi	2012	20,000/-	Clinical trial of Oophorinum in Polycystic Ovarian Disease
Dr. N. J. Shah	2016	Rs.30,000/-	To Explore the potential of Homoeopathic preparation of <i>Acacia Catechu</i> as an Anti - Microbial Agent against <i>Helicobacter Pylori</i> .
Dr. R. M. Bongale	2016	Rs.30,000/-	Evaluation of Toxicity of Homoeopathic Preparation of Merc. Sol 30 in swiss albino mice.
Dr. S. R. Shinde	2016	Rs.30,000/-	An in vitro evaluation of ANTI-CANCER Potential of Homoeopathic Preparation of <i>Linum Usitatissimum</i> .
Dr. M. A. Nerlekar	2016	Rs.30,000/-	Role of <i>Gymnema Sylvestre</i> mother tincture in reducing blood sugar levels in cases of Non Insulin Dependent Diabetes Mellitus.
Dr. A. P. Talathi	2016	Rs.30,000/-	Efficacy of Homoeopathic medicines in the Treatment of Polycystic Ovarian Syndrome in the age group of 18 to 35 years.
Dr. V. V. Patil	2016	Rs.25,000/-	Role of Constitutional Homoeopathic Medicine in PCOS.
Dr. V. A. Bhagat	2016	Rs.20,000/-	The modus operandi of differentiating Homoeopathic Medicine by Measuring physiological variability in Human Body temperature.
Dr. Sangeeta Patil	2016	Rs.20,000/-	Evaluation of homoeopathic similimum prescribed in diverse potencies for the cure of Premenstrual Syndrome.
Dr. N. M. Shaikh	2016	Rs.15,000/-	A clinical study to evaluate the role of Homoeopathic medicines in the management of Acute gastroenteritis.
Dr. V. V. Dolas	2016	Rs.15,000/-	Management of pain in cases of primary [Idiopathic] Osteoarthritis of knee with Homoeopathic Medicines in both sexes above the age group of 40 years.
Dr. P. P. Rathi	2016	Rs.10,000/-	A clinical study of Efficacy of Homoeopathic remedies in cases of 2nd and 3rd grade Hemorrhoids in any age group.
Dr. L. S. Mali	2016	Rs.10,000/-	Clinical study on efficacy of <i>Plantago Major</i> in tobacco de-addictions, in both genders of all age groups.
Dr. J. D. Patil	2016	Rs.10,000/-	Clinical study on efficacy of <i>Gymnema Sylvestre</i> in cases of type 2 Diabetic Mellitus.

Ph D Awardees

- ❑ Following faculty is awarded **Ph.D.** –
 - ❑ Principal Dr. A. B. Jadhav – under faculty of Homeopathy from MUHS, Nasik in 2016.
 - ❑ Prof. Dr. Mrs. Anita S. Patil – under faculty of Homeopathy from BVDU, Pune in 2016.
 - ❑ Prof. Dr. Mrs. T A Khan – under faculty of Homeopathy from BVDU, Pune in 2016.
 - ❑ Prof. Dr. Vinayak Rupnawar – under faculty of Homeopathy from BVDU, Pune in 2016.

Glimpses of Eminent speakers addressing the audience on Research topics
